

# IL Telecommunicator Emergency Response Taskforce

## FIELD COMMUNICATIONS COURSE

IL-TERT is proud to offer a Field Communications course. This course will provide IL-TERT Team Members with information on:

- *Preparation for a field deployment environment*
- *Overview of expectations and functions during a deployment*
- *Introduction to state field assets including the Unified Command Posts and the I-TECs trailers*

### TRAINING Date and Location:

**Wednesday, May 15, 2013**

Madison County 911  
101 East Edwardsville Road  
Wood River, IL 62095

This training is for authorized IL-TERT Team Members:

- Participants must be employed by an IL-TERT Active Category Agency
- All participants must have completed the following prerequisites: (Awareness Course, IS-100, IS-200, and IS-700)
- The course is free. There are no reimbursements for travel, lodging, salaries or OT backfill.
- Course size is limited to 30 participants.
- All participants will receive IL-TERT equipment and be considered deployable upon completion of this course.

To register, please complete the attached registration form or visit the IL-TERT website at [www.iltert.org](http://www.iltert.org) to download the registration packet.
